

Application No. 10/760,039

REMARKS

Claims 1-17 and 22-25 are pending. In the Office Communication dated July 5, 2005, the Examiner asserted the amendment filed on June 14, 2005, was non-compliant because the abstract was not presented on a separate sheet. Applicants are resubmitting the entire Amendment to the Specification section, with the abstract presented on a separate sheet. Applicants have condensed the abstract to a single paragraph in response to the Examiner's objection to the abstract in the Office Action dated March 14, 2005.

In view of the foregoing, it is submitted that this application is in condition for allowance. Favorable consideration and prompt allowance of the application are respectfully requested.

The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,

Brian L. Jarrells
